

Overwhelmed Week 2 True worship can eliminate being overwhelmed.

One of our greatest prayers should be to truly grow in Jesus and worship Him.

John 4:23

Matthew 15:8-9

Jesus is not looking for the most talented or best looking or most popular...just true worshippers.

Psalm 100

True worship fixes being overwhelmed.

1. Worship with Awe.

Hebrews 12:28-29

Psalm 95:6

Wise men bowed...Simon Peter fell to his knees

One day every knee will bow. When is the last time you were in awe of Jesus?

2. Worship with abandon.

2 Samuel 6:14-22

David did not care.....What God had done was more important than what people thought!

3. Worship with intimacy.

Psalm 27:4

King David did not want more power, money, or things....he just wanted intimacy with God.

Just His presence.

When we love someone we know them....we talk about them....our affection shows....this is what God desires of us!
