

Our Identity    Core Values

Church is never identified by a building.

Acts 2: 42-47

Our identity as a church will be defined by our likeness to Jesus Christ.

First 3 Core Values.

1. Worship.

The early church knew that worship was more than music or singing. It was a way of life. All of our life is worship.

2. Discipleship.

Growing in God's word. Growing in the teaching of the word. We must make time in our personal lives and with groups to learn and lean on each other. Build community.

3. Prayer

An open line of communication to God is critical. Prayer is not just for hard times, it's for all the time!

Where do we fall short in these areas? Pray and ask God to show you where and how to become better!
