

Jesus Said Part 3

Romans 12:3 Matthew 6:1-4 and 19-21.

Rewards come from God not the world.

We must serve and do it not wanting attention for ourselves.

We often seek credit because we are insecure.

We must be careful when we seek pity and approval through blaming ourselves. When things are good we will want credit as well.

When we seek a pat on the back....Jesus says that is all we will ever get.

Don't seek to show or tell everyone what you do. Just serve humbly and privately.

What we treasure has our hearts and our attention. What we work for shows. Luke 16:15

Do we want God's rewards or mans?

How we live daily and all we do is driven by our answers to these questions.

Bottom Line: In all things big or small, point to Jesus. Make sure He gets all the credit!!!
